# A CLOSE CONTEST ON THE VOYAGE WITH

THE LUCANIA.

PASSENGERS ON THE AMERICAN LINER-RETURN OF AUGUST BELMONT AND FAMILY-POST-MASTER-GENERAL WILSON AND GAU

DAUR, THE OARSMAN, ON BOARD. There were a number of well-known people aboard the American Liner St. Louis when she arrived at | platform among them was August Belmont, who returns to untry after a stay abroad that has been all too long in the opinion of those who have the interests of the American turf at heart. With Mr. Belmont e Mrs. Belmont, August Belmont, jr., Master Raymond Belmont and Master Morgan Belmont. Perry Belmont was at the pier to meet his brother, was mr. Morgan. Mrs. Belmont's father, eith him was Mr. Morgan. Mrs. Belmont's father. Relmont, who was looking in the best of health, ned to say anything to the reporters except that "I understand that Mr. Sewall makes all his and with him was Mr. Morgan, Mrs. Belmont's father. declined to say anything to the reporters except that he had greatly enjoyed his trip and was not worrying racing matters or politics or anything else When asked whether he still intended to take his horses to England, according to the plan he had announced before he went abroad, Mr. Belmont replied: t haven't anything to say about that just now I have been devoting my energies to getting as much sible. I shall have something to say on m a little later on, however.

J. G. Gaudaur, who last week won the single championship of the world from James sbury, was also among the passengers. Mr. was met at the gangway by Francis Nel-Robert J. Fleming, the Mayor of Toronto and the Gaudaur in behalf of his friends. At the reception of \$1,000 will be presented to the champion

The race in which Mr. Gaudaur won the chamship was over the Thames course, and was rowed last week Monday in the presence of thousands of speciators. The race was for four miles and a quarter, and was won easily by 300 yards in doubtful States and a quarter, and was won easily by 300 yards in 2 minutes I second. Hesides the title Mr. Gaudaur won Else. The new champion says he is open to all challenges from oursmen whose reputation entitles them to consideration. He expects, however, to do no more rowing this year, except one or two exhibition matches. The London sporting papers speak highly of Gaudaur's skill, and express the segment that he is likely to hold his title for some dollars.

earest of the dynamiters, and that he was in no way connected with it.

Postmaster-General Wilson also came over on the St. Louis. He left the pier at once, without talking it any one.

Harvey Watterson, son of Henry Watterson, Editor of "The Louisville Courier-Journal," said that his father was still in Switzeriand, and would make a tour through Italy before his return.

The St. Louis was sighted off Fire Island at 3.20 p. m., just three minutes more than an hour after the Cumar'er Lucania was seen off the same point. To have equalled the best westward record made have been sighted at 3.20 a. m.

The passengers on the two steamers were talking last evening of the race that took place of the last evening of the race that took place of the last evening of the race that took place of the last evening of the race that took place of the last evening of the race that took place of the last evening of the race that took place of the last evening of the race that took place of the last evening of the race that took place of the last evening of the race that took place of the last evening of the race that took place of the last evening of the race that took place of the last evening of the race that took place of the last evening of the race that took place of the last evening of the race that took place of the last evening of the superior the last the two versees of last p. m. St. Louis responded, as a glance at the record will show. There is ditted doubt that the two versees did their beat to beat each other had for eighteen hours the St. Louis kept absent of the Cumarder, in suite of the superior horses, the were much interested in the race, and many of the made beets on the race of there, and the greaters hevel love significance of the superior horses, and the consistent in Mr. Sewall's position; he owns a large number of them made beets on the race of their and the vening of the constitution of the superior horses, and the constitution of the superior horses, and the constitution in the St. Louis was evidently muc

## THE LILIPUTIANS COME BACK.

Columbia. They came here from Germany for the first time six years ago, expecting to travel | Dr. De Kremen said: for a part of a season, or, if possible for a whole one. They stayed for five seasons. They were away all hast winter, playing in Germany and parties? The issue is bimetallism, the Republication of the control of the Elise Lau, Toni Meister, Franz Ebert, Adolf Zink, Herman Ring, Max Walter and Ludwig Merkel The last named in this list is the only one of the zen. He is also the youngest, being nineteen

yesterday. Franz Ebert, the leading comedian whose clever singing and acting are well remembered by all who enjoyed them when he was here spectacle was one of the best he had ever had. He were a McKinley pin and asked whether New-York State would go for McKinley. When he was assured that it would be seemed much cheered.

much cheered.

The Liliputians have a new musical play, called.

"Merry Tramps." which will be seen for the first time in this country at the Star Theatre on September 28. It has been played in Europe just times e-ough to get it into smooth running order. It is to be elaborate in scenery and costuming, like the previous productions of this company.

## MISS MARGOT HOBART ON THE STAGE.

Washington, Sept. 18.-Miss Margot Hobart, a niece of Garret A. Hobart, the Republican candidate for Vice-Pres dent, made her debut in the theatrical profession with Charles E. Blancy's "A Hoy Wanted" Company playing at the Grand Opera House here latingh. Miss Homert made a pronounced hit in the Inall part assigned to her.

# THE DEMOCRATIC CANDIDATES.

A SWINDLE AND A JOKE. From The New-York Press.

The nominations are, of course, a swindle, in the way of campaign assessments, on the nominees and space on the public. PLEASING NEITHER SIDE.

From The Utica Herald Studification can no further go. The limit and the kenth are reached. The surrender being absolute, the trick of putting a sound money figurehead to the ticket will not avail. Genuine cheap-money men are disgusted. Sound-money men will have none of its characteristic for the characteristic forms.

AMBITIOUS FOR A RECORD.

From The Springfield Union.

Mr. Thacher seems to want to be beaten worse than Senator Hill was two years ago. He ought to know that he would have stood no chance of a tomination were victory a possibility.

FOR A MARTYR'S HONORS. The Providence Journal.

It is not clear why John Boyd Thacher has been so anxious to lead the forlorn hope of the silverites in New-York State, unless it is assumed that he expects to be rewarded for his conspicuous martyr-dom this year by a renomination in 1898.

## THE PLATFORM.

From The Hartford Courant. They say that in their deliberate judgment there was never a Democratic platform "which embodied more completely the interests of the necopie." Even Dave Hill, one would think, must gag and choke a little over that. It ought to be good for a Resulting and sound-money majority of at least 300,000 in the State of New-York.

CHOKING WITH THE PLATFORM.

From The Albany Argus. The Buffalo plasform on State Issues is all right, and, standing upon that portion of it, Mr. Thacher tan be elected. With the affirmance of the Chicago platform he has nothing to do, and for that be should in no way be held responsible, unless he adopts it as his own. It is for him to define his own position, and if he limits that to the Buffalo declarations or Creak severe the road to harmony arations on State issues the road to harmony success will be open.

Continued from First Page

XVIIth and XXXIIId Assembly districts returned from Buffalo on the Eric Railroad, and the majors arrived in New-York by way of the Twenty-third-st. ferry. D. F. McMahon and John T. Oakley were in charge of the delegates who travelled by this route. Mr. Oakley and others who were approached were not inclined to talk, further than to say that the State Conv tion had indorsed the Chicago nominees and the

At the Republican National Headquarters in this city yesterday some of the Republicans there declared that robetter campaign document was needed to convince the public of the utter hypocrisy of the free silverites than Mr. Sewall's contract. His condition that he must receive his pay in "United States gold, or its equivalent," was declared to be a confession that he had no faith in the free-silver theories which Mr. Bryan

contracts that way now," said Mr. Scott, of the Executive Committee. "The contract needs no comment," said Joseph

H. Manley, "for it speaks for itself." SOME COMMENT IN BROOKLYN. In Brooklyn the article about Sewall's gold

clauses caused general comment. Some of it was Timothy L. Woodruff, Republican candidate for Lieuienant-Governor—That is an excellent campaign document to circulate in doubtful States, Mr. Sewall's leanings toward gold are pretty well understood, but if he had been dis-

Assemblyman Edward C Brennan-The Trib-ing's exposure of Mr. Sewall's double-faced busi-ness on the money question, with the facts right ness on the money question, with the facts right-ness on the money question, with the facts right-here at home where we can all investigate them, is a great piece of work. I wonder what respecta-ble Democrats will say and think about it when they see it? It may change enough votes to carry

speak highly of Gaudaur's skill, and express the opinion that he is likely to hold his title for some time. Charles Heidelberg, a detective who has been said to have had some part in the arrest of Tynan and the other alleged dynamiters who have lately been captured in Great Britain and France, was another passenger on the St. Louis. Mr. Heidelberg said that his trip abroad had nothing to do with the arrest of the dynamiters, and that he was in no way connected with it.

Kinley's plurality in Kings with good, 100-cent dollars. Robert A. Sharkey, Republican State Committeeman—That story will keep Sewall busy explaining to his sliver friends from now until Election Day. I see the evening papers have verified the story and rubbed it in. It will make Republican votes in the Middle Western States. City Works Commissioner Theodore B. Willis —Poor Sewall! That was almost cruel to show up his gold contracts like that. I think the article will make votes for McKinley in the West as well as along the seaboard.

that is about all I wish to say.

## A LEARNED EXPLANATION

The headquarters of "Poet" Mirabeau Towns's Brooklyn, were shrouded in gloom when the Tribune reporter called there. No sign of life was visible, and the hotel clerk said that Mr. Towns and his fellow-poets were either at Buffalo or at Apollo Hail, where a meeting of the The company of little people known as the Lill- going on. At Apollo Hall the only prominent puttans, who long ago became familiar to New- silverite present was Dr. De Kremen, the secre-York theatre-goers, arrived here yesterday on the tary. Concerning the revelation of Mr. Sewall's affection for the word "gold" in his contracts,

Russia, and now they hope to renew their former prosperity in America. The company now has mine members, Selma Goerner, Bertha Jaeger, the Taul Monte of the Company now has made the Democrats proposing to get it ment and the Democrats proposing to get it without international agreement. The Indianapolis party is the only one that wants gold monometallism. Now that's the issue, and how company who hoasts of being an American citi- is that issue affected in the least by the statement that this man or that man has put this or that kind of clause in his contract? You must remember that gold is very valuable now, more so than silver. It is worth twice as much as silver, and as long as that condition of things before, looked as sage and as solemnly reserved | remains you can't blame a man for wanting to as ever, and said that his part in the new musical | get hold of the long end of the stick. It doesn't show that Sewall is a gold man at heart, but simply that as long as gold remains more valuable than silver he naturally prefers to be paid in gold. He is working to bring up the price of party started early, visiting the White House anxiously | simply that as long as gold remains more valusilver to where it was before, but until that price

is restored he wants to be paid in gold." A "FROST" AT HEADQUARTERS. A Tribune reporter tried to learn the sentiment of the members of the Democratic County Executive Committee, at their headquarters in Hoerum Place. There are sixty-four members in this body. When the question was put, "Do seum, the new Congressional Library and the Capiyou not think it inconsistent that a silver man, a candidate for the Vice-Presidency, should insert a clause in a contract stipulating payment in gold?" there came a deep and penetrating "frost." Bernard J. York, whose mild blue eye usually looks out so benignly upon his fellowmen, became "frosty" at once, and answered shortly: "I don't know anything about it. I refuse to talk. You had better ask some one else."

James D. Bell, president of the General Committee, was not present, but a member said:
"No use to ask him. Do you think he is such a chump as to commit himself?"

The answers of the majority of the Executive Committee, were practically unanimous that

Committee were practically unanimous that they "didn't know anything about it." But there was one member who would not last long there was one member who would not last long if the General Committee knew his real senti-

ments
"My name" said he. "No. I can't give it to
you. Say, I'm not necessarily for silver, but I
haven't anything to say about Mr. Sewall. He
knows his business better than I do. But generally speaking, silver is all right—in its place."
This member disappeared immediately afterward down the street, as if he had said too

much.
"What do you think?" said another man, who
also refused to give his name. "I don't think. I
am not in the lumber business. like Mr. Sewall,
therefore I care nothing about what he does
about his own private affairs. Moreover, I don't
want to know a thing about the lumber busi-

Joshua Shaw sat.: "Well, you can't blame
The Tribune for putting out everything it can
find against an opposing candidate."
But, on the face of the story, do you not think
Mr. Sewall's contract is inconsistent with his
professions."

"It might look so," said Mr. Shaw, slowly,
"But look here. I don't want to be quoted.
Haven't a word to say."

And so it went. The "frost" increased.
